New Products

UltraWiz® Reverse Bend Blades

**ULTRATHIN 25mm
REVERSE BEND BLADE (Pkt 5)**

[5202M]

**ULTRATHIN 19mm
REVERSE BEND BLADE (Pkt 5)**

[5201M]

\$22.00

- » **UltraWiz® Reverse Bend Blades** cut down and away from the glass, where a normal blade cuts up toward the glass.
- » Allows cutting without digging into a glass with an encapsulation or underside molding.
- » Keeps sharp edges away from the vertical wall of the pinch weld.

Lil Buddy Jnr Vacuum Cups

**LIL BUDDY JNR VACUUM CUPS
PAIR (WITH CARRY BAG)**

[LBJNR]

\$189.00

- » *Lil Buddy Jnr Vacuum Cups* have a unique design requiring no pumping to secure the cups to the glass surface. Simply lifting the handle locks the cup into place. A quick check of the safety locks confirms you have a secure grip on the glass. The Red line indicator provides a visual warning if at any stage the vacuum cup needs to be re-attached.
- » *Lil Buddy Jnr Vacuum Cups* can be use for all automotive glass lifting applications, not just the *Lil Buddy Lifting Device*. These cups are robust and fast to apply and designed for use on curved glass, and have a safe lifting weight limit of 22 kg (50 lbs) each.
