

Razor Blade Holders & Blades

AP4125 LONG REACH RAZOR SCRAPER

The long reach razor scraper uses AP4170 razor blades for accessing hard to reach areas. Great for removing old window tinting below the rear parcel shelf.

AP4128 WIDE RAZOR SCRAPER

This sturdy ergonomic handle provides a comfortable grip when scraping or cleaning any surface. Ideal for removing existing urethane when preparing a glass for re-bonding. Supplied with blade protector.

Uses AP4170 replacement blades.

AP4130 RAZOR BLADE HOLDER

Quality razor blade scraper with anti-corrosion brass button.

AP4170 RAZOR BLADES - Pkt 100

Made in USA. Double honed blades for superior cutting.

Snap Off Knives & Blades

Uses 18mm Snap Blades

APXL2 OLFA® RETRACTABLE KNIFE EXTENDED HANDLE

One of the most popular cutting knives on the market with an extra long handle for extended reach.

Uses 18mm Snap Blades

APL1 OLFA® RETRACTABLE KNIFE

Olfa's® top selling snap blade cutter. General purpose heavy duty knife to cut and trim sealant and accessories.

Uses 18mm Snap Blades

OLF20 OLFA® RETRACTABLE KNIFE

The OLF20 Olfa® knife is a shorter version of the popular APXL2 knife. It includes the same rubber grip on the back of the knife that rests comfortably in your hand and keeps it from slipping.

Uses 18mm Snap Blades

APOL OLFA® KNIFE

Alternative knife to the APL1 but has a blunt scraper on the rear of the knife to clean and scrape pinchwelds.

Uses 18mm Snap Blades

AP4200 HEAVY DUTY UTILITY KNIFE

Heavy duty snap off knife with rubber grip handle. Strong plastic body with quick action slide and safety lock.
