TOOLS FOR YOUR TRADE

BTB Auto Glass & Body Shop Tools is a registered supplier for the "Tools For Your Trade" government grant program. This grant enables eligible new apprentices to receive a grant for tools / tool kits to the value of \$800.00 (GST Inclusive). After a 3-month employment period the employer will be supplied with a "TFYT" employer verification form. After completing the appropriate form a voucher is used to order your selected tools or toolkit, while BTB organises payment direct from the government scheme.

This scheme was valid at the time of printing this catalogue.
